Offering Spotlight: Washington Youth—Sunset lake

Nestled in the foothills of Mount Rainier, Sunset Lake Camp—operated by the Washington Conference—offers a peaceful retreat from the demands of everyday life. It's a place where young people can step away from the busyness of modern life to experience nature, forge lasting friendships, and grow closer to God.

Many in our church community have created meaningful memories at Sunset Lake: as campers, summer staff, or week-end retreat guests. Today, a large group of our youth is making new memories there. More than just fun and adventure, camp can be life-changing. Hundreds have traced their decision to follow Christ back to one unforgettable summer at Sunset Lake.

Today's offering supports Sunset Lake and helps sustain its ministry so more young lives can be transformed by the power of faith, friendship, and God's creation.
