From the Pen of Inspiration

When a real love for the Bible is awakened, and the student begins to realize how vast is the field and how precious its treasure, he will desire to seize upon every opportunity for acquainting himself with God's word. Its study will be restricted to no special time or place. And this continuous study is one of the best means of cultivating a love for the Scriptures. Le the student keep his Bible always with him. As you have opportunity, read a text and meditate upon it. While walking the streets, waiting at a railway station, waiting to meet an engagement, improve the opportunity to gain some precious thought from the treasure house of truth. (*Education*, p. 191.)

MEMBERS PROPHECY STUDY CLASS: Tuesdays at 6:00 PM, we are studying a 24-part study designed specifically to help our members move from "student" to "teacher." This series focuses on building the confidence you need to lead your own Bible studies on Daniel and Revelation with people in our community. By exploring the deep correlations between Matthew 24 and the end-time prophecies of Revelation, we will bridge the gap between personal understanding and active ministry. Using Steven Bohr's study on Matthew 24 alongside insights from the Spirit of Prophecy, you will master the events leading to the close of probation and see how these prophetic themes intertwine. Our goal is to ensure you feel fully prepared, comfortable, and equipped to share these vital truths with clarity and ease. For questions please contact Matt Burton at (208) 416-8138.
