Closing Remarks

The historical experiences of Israel and Judah serve as vital admonitions. God's appeals are always redemptive—aiming to turn people away from destruction toward grace and restoration. God's word does not lose its power or relevance with the passage of time; it speaks directly to our generation. An active, humble response to the gift of prophecy is essential for spiritual survival and alignment with God's will.

Closing Song — Hymn #590

"Trust and Obey"

Closing Prayer — Scott Speaks
