Show Me the Truth

ꕥ Question to Ponder ꕥ

- What assurance do we have that the oral messages delivered by God's prophets were as inspired and reliable as the written ones?

ꕥ Closing Remarks ꕥ

Ellen G. White always considered the Bible as the authoritative and infallible revelation of God. The Bible reveals God's truth and His plan of salvation for the fallen human race. In that process, as we are learning, He uses prophets to communicate His messages.

Child Safety is of the utmost importance in our Church community. The Southern New England Conference participates in Shield the Vulnerable, a program that focuses on reducing potential dangers to children.

- Background checks are conducted for each person working with our children including Sabbath School, Adventurers and Pathfinders.
- Children are to be escorted by their guardian.
- Two adults are needed in each Sabbath School class (except Beginners where parents are present).

Wear Pink for Breast Cancer Awareness Sabbath!

On Sabbath, October 31, we invite our entire Pleasant Street church family—men, women, youth, and children—to **wear pink** as we unite in raising breast cancer awareness, honoring survivors, remembering loved ones, and supporting those affected. Together, let's spread hope, encourage early detection, and demonstrate Christ's love and compassion. **Wear pink and stand together in faith, hope, and healing!**

Pleasant Street Seventh Day Adventist Church

Prison Ministry Department

Invites you to Participate in the

Angel Tree Program

Unwrap the Joy

When Mom, Dad or Family Member goes to prison, a child may feel lonely and forgotten. Especially around the holidays. Share the hope of Jesus with a hurting child in your community as you deliver a Holiday gift and a personal message of love on behalf of their parent or family member in prison.

It starts with a gift and leads to restored lives.

For seventy-five summers, Winnekeag has been the place where youth meet Jesus by the lake. The Pathfinder Lodge will be the year-round heart of that story — and we're already thirty-eight percent of the way home.
