**AWR Annual Offering** - On a remote island in Papua New Guinea—with no electricity and little contact with the outside world—a small solar-powered audio device became the center of daily life for one family. But then their neighbors became jealous and stole the device from their hut in the middle of the night. What happened next changed the future of the entire island. Hear this and other inspiring stories next Sabbath, March 14, during Adventist World Radio's Annual Offering.

**Messiah's Mansion** - Open for tours March 21-29, 2026, in Albuquerque! This family-friendly exhibit is great for all ages to learn about the historic sanctuary built by the Hebrews to worship God.
