## PRAYERS AND PRAISES:

**Mortgage Repayment Progress** - Our collective commitment and sacrifice continue to make a meaningful impact! This week, an additional **\$40,000** was applied directly to the mortgage principal, shortening the overall loan by 7 months and saving us approximately \$13,935 in interest. Praise the Lord for His blessings and for the faithfulness of His people! This journey is a marathon, not a sprint. If everyone is able to contribute just 1% more of their income, we can consistently apply approximately \$5,000 per month toward the principal, accelerating our progress even further.

## TODAY'S OFFERING:

Women's Ministries (NAD)

[AdventistGiving.org](https://AdventistGiving.org)

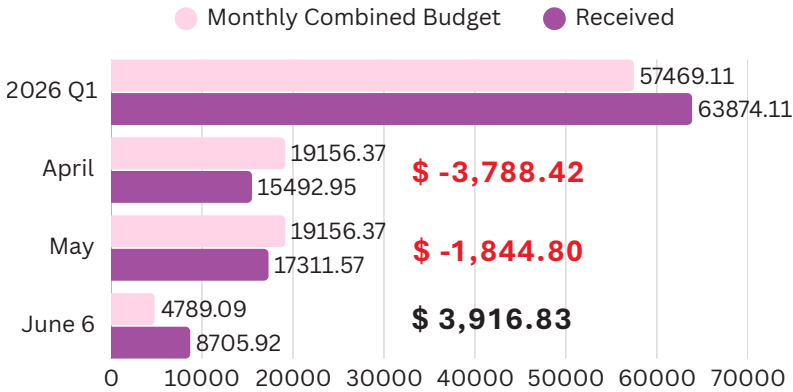

The contributions required of the Hebrews for religious and charitable purposes amounted to fully one fourth of their income. So heavy a tax upon the resources of the people might be expected to reduce them to poverty; but, **on the contrary, the faithful observance of these regulations was one of the conditions of their prosperity.** PP 527.1
