

ALBUQUERQUE HEIGHTS

SEVENTH-DAY ADVENTIST CHURCH

“Now behold, two of them were traveling that same day to a village called Emmaus, which was seven miles from Jerusalem. And they talked together of all these things which had happened. So it was, while they conversed and reasoned, that Jesus Himself drew near and went with them.”

PRAYERS AND PRAISES:

Mortgage Repayment Progress Update

We are grateful to share that an additional **\$40,000 principal payment** has been made toward our mortgage. As a result, we have reduced the loan term by **7 months** and saved nearly **\$14,000 in interest**.

Praise the Lord for His blessings and for the generosity of His people!
As we continue this journey, we are reminded that paying off our mortgage is a marathon, not a sprint.

TODAY'S OFFERING:

Local Church Budget

AdventistGiving.org

The contributions required of the Hebrews for religious and charitable purposes amounted to fully one fourth of their income. So heavy a tax upon the resources of the people might be expected to reduce them to poverty; but, **on the contrary, the faithful observance of these regulations was one of the conditions of their prosperity.** PP 527.1
