Where We Want
to Be Like Jesus

A School Family Like No Other

Students at Cross Street Christian School are part of a small, close-knit school family. They feel accepted, loved, and cared for, not only by their teaching staff, but by their peers as well.

Small Classrooms, Individual Attention

With a 10 to 1 student-teacher ratio and intentionally sized classrooms, every child receives the individualized attention they need to grow and thrive.

Faith Woven Into Every Day

The school day begins with Bible reading and prayer, and spiritual perspectives are intentionally woven into every aspect of classroom instruction.

Certified and Dedicated Teachers

Carefully selected for their expertise and commitment, our teachers educate the whole child using a Bible-based curriculum, engaging instructional strategies, and hands-on learning experiences.

Making Christian Education Accessible

Cross Street Christian School welcomes Indiana Choice Scholarship recipients.

Academics and Faith

A strong academic foundation

Our Bible-based curriculum meets Indiana State and North American Division Education Standards. Certified teachers use the latest evidence-based methods to give each student a transforming educational experience. Students also benefit from a health-based physical education program and a full-size gymnasium.

Serving beyond the classroom

Throughout the year, students are actively involved through greeting card ministries, preparing Christmas boxes, and performing religious programs for church services and other outreach activities. At CSCS, serving others is not just something we teach. It is something we live.
