An Encouraging Thought

"Christ was the firstfruits of them that slept. This very scene, the resurrection of Christ from the dead, was observed in type by the Jews at one of their sacred feasts, called the feast of the Jews. They came up to the temple when the firstfruits had been gathered in, and held a feast of thanksgiving. The firstfruits of the harvest crop was sacredly dedicated to the Lord.... As Christ ascends while in the act of blessing His disciples, an army of angels encircles Him as a cloud. Christ takes with Him the multitude of captives as His trophy. He will Himself bring to the Father the firstfruits of them that slept, to present [them] to God as an assurance that He is conqueror over death and the grave."
