An Encouraging Thought for the Week

"The true Christian obtains an experience that brings holiness. The light of truth irradiates his understanding. A glow of love for the Redeemer clears away the cloud that has interposed between his soul and God. The will of God, pure, elevated, and sanctified, becomes his will. His countenance reveals the light of heaven. His body is a fit temple for the Holy Spirit. Holiness adorns his character. God can commune with him; for soul and body are in harmony with the principles of heaven."

Are Energy Drinks Good for My Heart?—Energy drinks have become a go-to source of quick energy for students, athletes, and busy professionals. But cardiologists say they're also seeing a troubling trend: more patients arriving in the emergency department with heart-related symptoms after consuming these highly caffeinated beverages. For the full story, see news.uccsda.org/energydrinks826.
