An Encouraging Thought for the Week

"You are to be the agent through whom God will speak to the soul. Precious things will be brought to your remembrance, and with a heart overflowing with the love of Jesus, you will speak words of vital interest and import. Your simplicity and sincerity will be the highest eloquence, and your words will be registered in the books of heaven as fit words, which are like apples of gold in pictures of silver. God will make them a healing flood of heavenly influence, awakening conviction and desire, and Jesus will add His intercession to your prayers, and claim for the sinner the gift of the Holy Spirit, and pour it upon his soul. And there will be joy in the presence of the angels of God over one sinner that repenteth."

Are Energy Drinks Good for My Heart?—Energy drinks have become a go-to source of quick energy for students, athletes, and busy professionals. But cardiologists say they're also seeing a troubling trend: more patients arriving in the emergency department with heart-related symptoms after consuming these highly caffeinated beverages. For the full story, see news.uccsda.org/energydrinks826.
