An Encouraging Thought for the Week

" This instruction is of the greatest importance to us; for we are living in the last days of this earth's history. Soon we shall enter upon the fulfillment of the events which Christ showed John were to take place. As the messengers of the Lord present these solemn truths, they must realize that they are handling subjects of eternal interest, and they should seek for the baptism of the Holy Spirit, that they may speak, not their own words, but the words given them by God...." *To Be Like Jesus* pg69
