Higher Ground

Encouraging Thought

"The teaching of the Bible has a vital bearing upon man's prosperity in all the relations of this life. It unfolds the principles that are the cornerstone of a nation's prosperity—principles with which is bound up the well-being of society, and which are the safeguard of the family—principles without which no man can attain usefulness, happiness, and honor in this life, or can hope to secure the future, immortal life. There is no position in life, no phase of human experience, for which the teaching of the Bible is not an essential preparation."

And Jamieson extends an invitation to an upcoming retreat for church elders and certified church leaders to learn, grow, and prepare happening this November. How, When, and Who?—The question has not changed. It echoes from the Mount of Olives into every generation. When will Christ return? And how will we know? Jesus answered both, but maybe not in the way many expect. He redirected attention from speculation to mission. For the full story, see news.uccsda.org/howwhenwho1026.
