INSPIRATION CORNER

An Attitude of Gratitude

If we are saved by grace I wonder why,
to do good works we need to even try.
For us will there be some special reward,
that we all need to be working toward?

Will all of our good works be recorded,
marked down in some book, reworded?
Or, will we be saved exclusively by grace,
on the heavenly transit granted a space?

And another thing, will we still be saved,
if we are new Christians, freshly saved?

Will God's benevolence and mercy,
be granted to all, including the newbie?

They say that the ground is leveled,
at the foot of the cross, not beveled.
Everyone has the same chance if they,
opened their hearts yesterday or today.

If you like me, wonder which came first,
was it the hunger or was it the thirst?
Remember good works are the fruit,
of grace, good works are not the root.

It's not how many good works we do,
it's how we do them, me and you.
When works are done, it's the attitude,
so, please have an attitude of gratitude.
