# JANUARY 8 - DAY 2

---

## WHOSE KINGDOM ARE WE REALLY ASKING ABOUT?

### **Opening Prayer**

Jesus, we come with many questions and concerns. Help us listen for what matters most to You. Align our hearts with Your kingdom. Amen.

### **OPEN**

When you think about the future—your own or the world's—what kinds of questions tend to occupy your mind the most?

### **DIG**

Why do you think Jesus redirects the disciples away from timing and control and toward power and witness in this passage?

### **DECIDE**

If Jesus is inviting you to trust God with outcomes and focus on faithfulness, what decision might you need to make right now about your priorities?

### **APPLY**

What is one concrete way you could align your time, attention, or energy this week with Jesus' call to be His witness where you already are?

### **Closing Prayer**

God, we place our futures in Your hands. Give us courage to live for Your kingdom today. Lead us by Your Spirit as we follow You this week. Amen.
