
JANUARY 9 - DAY 3

LOOKING UP—OR LOOKING OUTWARDS?

Opening Prayer

Jesus, help us wait with trust and live with faithfulness. Open our hearts as we listen to one another and to You. Amen.

OPEN

When you're waiting for something important, how do you usually respond—restless, hopeful, distracted, focused, or something else?

DIG

Why do you think the angels challenge the disciples for standing and looking into the sky instead of simply comforting them?

DECIDE

If Jesus' return is certain but His timing is unknown, what kind of posture do you sense God inviting you to take right now?

APPLY

What is one concrete way you could live more intentionally this week as someone who trusts God's future while engaging fully in the present?

Closing Prayer

Jesus, thank You for the promise that You will return. Teach us how to wait with faith, live with purpose, and trust You in the meantime. Walk with us this week. Amen.
