## MORE THAN A CROWD—A FAMILY

### **Opening Prayer**

Jesus, thank You for calling us into Your family. Teach us how to love one another with generosity, patience, and joy. Amen.

### **OPEN**

When you think of the word “community,” what experiences—positive or difficult—come to mind?

### **DIG**

What stands out to you most about how the early believers lived together in Acts 2:41-47?

### **DECIDE**

What kind of belonging do you sense God inviting you into—deeper connection, greater generosity, or shared responsibility?

### **APPLY**

What is one simple way you could practice care, generosity, or presence with someone in your church family this week?

### **Closing Prayer**

God, thank You for forming us into a family of faith. Help us love one another as You have loved us. Walk with us as we live this out together. Amen.
