
JANUARY 15 - DAY 9

OPEN HANDS, OPEN HEARTS

Opening Prayer

God, everything we have comes from You. Open our hearts to trust You more deeply and to care for one another freely. Amen.

OPEN

When you hear the word “generosity,” what emotions or experiences come to mind first?

DIG

What do you think made it possible for the early believers to live with such unity and openness toward one another?

DECIDE

Is there an area of your life—resources, time, attention—where you sense God inviting you to loosen your grip?

APPLY

What is one simple, concrete act of generosity you could practice this week toward someone in need or within your faith community?

Closing Prayer

Jesus, thank You for Your generous love toward us. Teach us to live with open hands and open hearts, trusting You as we care for one another. Walk with us this week. Amen.
