## BELTSVILLE ADVENTIST SCHOOL FEE INFORMATION 2025-2026

**TUITION AND FEES** - BAS has partnered with FACTS Management Company to help us manage our tuition payment program and financial aid assessment. You will set up a FACTS payment plan when enrolling your student online. Tuition may be paid by the year or in eleven equal payments (July-June, with the exception of January) as billed. Automatic payments can be made from a checking or savings account or from a variety of credit cards, if applicable. The first payment is made prior to the beginning of the school year. There is a five percent discount if the total fee is paid in full on or before the first day of school. The first tuition payment is due in July and must be paid before a student enters class at the beginning of the school year. The due amount must be paid by the 20<sup>th</sup> of each month to avoid late charges. Accounts with an unpaid balance after the 20<sup>th</sup> will be assessed a \$25 service charge.

A student may be asked to temporarily withdraw from school when an account is 30 days in arrears. All final grades, student information and transcripts will be held by the school until the balance due on the account has been paid. Eighth graders are not permitted to graduate or take part in their end-of-year activities if the school account is not paid. Students owing an account to another school will not be admitted to BAS until the account has been paid or satisfactory arrangements have been made with the previous school.

Additional fees charged include overnight field trips, eighth grade graduation fee, orchestra fee, drama fee, robotics fee, yearbook staff fee and sports team fee.

**REGISTRATION FEE** - The registration fee is paid in January of each year for the next school year for returning students and for new students at the time of registration. Registration includes textbook rental, student accident insurance, and one student yearbook. **Registration fee is not refundable .**

**TEXTBOOK RENTAL** - BAS follows a textbook rental plan for all grades. The rental is part of the registration fee. As part of the registration process parents are asked to sign a textbook rental agreement which states that when textbooks are lost or misused beyond normal wear and tear the replacement cost of the book will be paid to the school.

**REFUNDS** - If a student withdraws and tuition has been paid in full for the year, tuition for any full remaining months will be refunded less the discount given for early payment. If a student withdraws during the first calendar week of a month, the family will not be charged for that month. Withdrawals during the remaining weeks of the month will still be charged for the full month. **Registration fee is not refundable.**

**RETURNED CHECKS** - There is a \$35 service charge applied to the account for any check returned by the bank. It may be necessary to ask that future payment be in the form of a certified check or money order.

**SUBSIDY** - If you are eligible for employer subsidies, please notify the business office by July 1. Families should expect subsidy payments on their accounts in October/February of the current school year or whenever the employer pays the subsidy.
