Welcome One and All – We are delighted you have chosen to worship God with us today. If you are visiting, we are grateful to have you with us and would be honored to have you consider becoming a part of this church family.

1. For our visitors and members, we have a fellowship lunch every Sabbath after church in the downstairs fellowship hall. Please stay and join us for some good food and fellowship. **Note: September 5th, the special lunch theme will be Soup/Salad/Sandwiches.**

2. Today will be the second and final reading for membership transfer for DayeMia Samons Mobley from the Little Rock SDA Church to the Benton SDA Church.

3. It has come to our attention that there have been drifters wandering through our parking lot at various times. Please ensure your car is locked and all valuables are out of sight while on our property. For extra security, do this every time you park. Thank you!
