BERMUDA INSTITUTE WELCOMES NEW PRINCIPAL

The Executive Committee of the Bermuda Conference of Seventh-day Adventists is delighted to announce the appointment of Dr. Owen Roberts as the new Principal of Bermuda Institute.

An accomplished educational leader with extensive experience in school transformation, organizational leadership, strategic planning, and academic improvement, Dr. Roberts has built a distinguished career leading schools through periods of renewal, strengthening educational quality, and cultivating high-performing learning communities. His leadership is characterized by a commitment to excellence, collaboration, innovation, and faith-based education.

As Bermuda Institute embarks on its next chapter, Dr. Roberts brings a clear mandate to build on the school's rich heritage while positioning it for long-term sustainability and success. This work will include strengthening instructional excellence, improving student achievement, developing a robust leadership pipeline, fostering a culture of continuous improvement and

accountability, enhancing operational effectiveness, and addressing systemic barriers that may hinder the school from fully realizing its mission and vision.

Central to this journey will be engaging faculty and staff, students, parents, the School Board, Conference leadership, alumni, and constituents in a shared commitment to reaffirming and strengthening Bermuda Institute's value proposition as Bermuda's leading Christ-centered educational institution. Through meaningful collaboration and transparent communication, the school will seek to build trust, inspire confidence, and create a culture where every member of the school community is empowered to contribute to its continued growth and success.

Reflecting the Seventh-day Adventist philosophy of education, Bermuda Institute remains committed to developing the whole person - spiritually, intellectually, physically, and socially - while preparing students to become compassionate leaders, critical thinkers, lifelong learners, and faithful servants of God.

Commenting on the appointment, Dr. Kenneth Manders, Bermuda Conference of SDA President/Bermuda Institute Board Chair stated:

"We believe this appointment marks the beginning of an exciting new era for Bermuda Institute. Dr. Roberts brings the experience, vision, and leadership necessary to strengthen our academic program, invest in our people, and cultivate an environment where students, faculty, and families can flourish. We are confident that, working together under God's guidance, Bermuda Institute will continue to grow in excellence while remaining steadfast in its Christian mission."

Dr. Owen Roberts shared:

"It is both an honor and a privilege to join the Bermuda Institute family. I look forward to listening, learning, and partnering with our faculty and staff, parents, students, Conference leadership, alumni, and the wider community as we build upon the school's proud legacy. Together, we will strengthen teaching and learning, develop future leaders, deepen our spiritual commitment, and ensure that every student is equipped to thrive academically, personally, and spiritually."

The Bermuda Conference warmly welcomes Dr. Owen Roberts and his family to the Bermuda Institute community and looks forward with great anticipation to this new season of growth, innovation, and educational excellence.

Sincerely,

Kenneth Manders
President
