

## Offering Spotlight: Local Church Budget

Today's loose offering goes to support our local church budget, which helps cover everyday expenses and provides important subsidies for our local church school across the street. Your donation helps keep our ministries running smoothly and ensures our kids continue receiving a quality education. Whether it's a small gift or something more, every contribution makes a real impact. Thank you for being part of our church family and helping us grow our ministry together.

Our children's offering, collected in the straw hats each week, helps provide much-needed scholarships to deserving students at KACS. Thanks to your generosity, we're able to offer a gospel-centered education to children, regardless of their economic background. Your support truly makes a difference in their lives and futures.
