

## Offering Spotlight: World Budget

The Seventh-day Adventist Church is a global movement, sharing the message of Jesus' soon return in over 200 countries and more than 600 languages. Its world budget represents a collective commitment to Christ's commission, supporting outreach and evangelism far beyond local borders. Offerings from members, help fund innovative strategies and plant seeds of spiritual growth in underserved regions. Through this united effort, thousands are baptized daily and new programs continue to emerge to meet the changing needs of the world.

Each week, the children's offering collected in the straw hats helps open the door for students at KACS to receive the support they need. Your gifts make it possible for young people to experience a Christ-centered education, no matter their financial situation. Thank you for giving in a way that shapes both their present and their future.

CHRISTIAN CHURCH**

**FEATURED TOPIC**

## THE POSSIBILITY OF OFFENSE

*Are we living up to the letter?*

Discover how Paul's letter to the Philippians can reshape the way we live, serve, and grow together as a church family.

In this three-part series, Dr. Arrais will guide us through the beginning of the book of Philippians, exploring the deep theological vision Paul shared with the believers. One that sometimes challenged assumptions, stretched comfort zones, and opened the door to deeper unity.

**FEATURED SPEAKER**

### Dr. Tiago Arrais

*Professor of Theology, Walla Walla University*

Tiago Arrais is the newest faculty member of the Walla Walla University School of Theology. He earned a Ph.D. from Andrews University, taught theology in Brazil, and served as a pastor in Santa Fe, New Mexico. Dr. Arrais is especially interested in the intersections of the Bible, systematic theology, literature, art, and philosophy. Through his teaching and ministry, he encourages thoughtful engagement with Scripture and Christian faith.
