

## Offering Spotlight: Local Church Budget

It is through your tithes and offerings that the Seventh-day Adventist Church gathers the resources needed to spread the gospel of God's love throughout the world. Tithes returned back to God through the Bremer-ton church go to the Washington Confer-ence, with smaller portions of support con-tinuing up the chain until they reach the General Conference. Your offerings desig-nated for local church budget stay local, helping support our ministries such as KACS, community service, small groups and all the overhead expenses that keep our doors open.

While our local church budget is still in the red, we are thankful for every dollar you give. Each is a sacrifice given from a submissive heart. With the leading of the Spirit, our gifts combine to accomplish a greater work than any one of us could do alone. Thank you for being part of the body, sharing your financial resources, your time and your talents.

FEATURED TOPIC

## THE POSSIBILITY OF OFFENSE

*Are we living up to the letter?*

Discover how Paul's letter to the Philippians can reshape the way we live, serve, and grow together as a church family.

In this three-part series, Dr. Arrais will guide us through the beginning of the book of Philippians, exploring the deep theological vision Paul shared with the believers. One that sometimes challenged assumptions, stretched comfort zones, and opened the door to deeper unity.

FEATURED SPEAKER

### Dr. Tiago Arrais

## Announcements

Welcome!

Come let us worship before our Lord in the sanctuary of his creation.

*For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that people are without excuse.*

Romans 1:20

**Communion Sabbath** — Today we are following the example of Christ and practicing the Lord's Supper during our worship service. Christ was sent for everyone and we follow that example by practicing open communion. Anyone who feels led to participate in foot washing or partaking of the emblems is welcome. A **foot washing station** is set up in the multi-purpose room providing an opportunity to actively meditate on Christ's role as a servant King and what it means to be cleansed by His sacrifice.

**Ministry Interest Survey** — We are all part of the body and we each have a different role to play. During this ministry placement season, we seek God's direction to show us where each of us fits in our church's ministry to Kitsap County. So whether you are new and looking to step into service or have been serving in our community for many years, we ask you to take a moment to fill out the ministry interest survey (linked at the QR code) to let us know where you feel led to walk out in the faith of service.

**Learn to LEAD WELL in 2026: August 15-16 at the WA Conference Office** — People visit the church and attend different activities we put on, but it isn't until they develop a relationship with God *and* the members of His church that they fully integrate into the body. When we learn how to walk beside our friends and neighbors through this whole process, that is when community grows, faith deepens and disciples are made. Join the NPUC Small Group Wave initiative and their Lead Well training to learn how to walk this path. Scan the QR code to register.

**Women's Ministry Crafternoon: Tomorrow, July 19 from 1-4 in the multipurpose room** — Come and fellowship together as we celebrate our creative natures. Bring a snack and craft project (knitting, painting, coloring, etc.). Please use the side door to not disturb our renters.

Sunset Tonight: 9:00 P.M. Sunset Next Friday: 8:53 P.M.
