Offering Spotlight: Local Church Budget

The ministries and services of our church are made possible through the faithful support of our Local Church Budget. These funds help provide KACS subsidies, maintain our facilities, support ministries such as Community Services, and sustain many other programs that nurture spiritual growth and meet practical needs.

God has generously blessed us. Our giving is a tangible expression of gratitude for all He has done for us. Through our shared stewardship, we participate in the mission of the church. Thank you for your faithful giving to our Local Church Budget
