## Vision

As a Church, we become more conscious of our personal standing with God and work collaboratively to make the church more community-active, where God is praised and honored through it.

## Mission

The Brooklyn Faith Seventh-day Adventist Church's mission is to reach the people, in the East Flatbush area of Brooklyn, with the Gospel of Jesus Christ; bringing hope, healing and wholeness in preparation for the kingdom of God.

### Theme: "In Christ, We Are Better Together!"

Ephesians 4:1-6 (MSG)

"In light of all this, here's what I want you to do. While I'm locked up here, a prisoner for the Master, I want you to get out there and walk—better yet, run!—on the road God called you to travel. I don't want any of you sitting around on your hands. I don't want anyone strolling off, down some path that goes nowhere. And mark that you do this with humility and discipline—not in fits and starts, but steadily, pouring yourselves out for each other in acts of love, alert at noticing differences and quick at mending fences.

You were all called to travel on the same road and in the same direction, so stay together, both outwardly and inwardly. You have one Master, one faith, one baptism, one God and Father of all, who rules over all, works through all, and is present in all. Everything you are and think and do is permeated with Oneness."

This image depicts a tithe and offering envelope used by the Northeastern Conference to collect monetary donations from its members. The envelope provides spaces for the donor to record their personal information (date, ID, name, address, church, phone) and to allocate their contributions to various funds. These funds are divided into "Conference Trust Funds" (including tithe, Sabbath School missions, and other specific causes) and "Local Church Offerings" (such as the combined budget and building fund). The envelope also includes a section to record the total amount enclosed and a section for office use to verify the form of payment (cash or check) and the amount received.
