We are rapidly approaching the end of this earth's history; and as we realize that Jesus is indeed coming soon, we shall be aroused to labor as never before. We are bidden to sound an alarm to the people. And in our own lives we are to show forth the power of truth and righteousness. The world is soon to meet the great Lawgiver over His broken law. Those only who turn from transgression to obedience can hope for pardon and peace. Councils for the Church 355.2
