

Mrs. Mardones's 5TH & 6TH GRADE CLASS SUPPLY LIST

- ☐ \$75 School Supply Fee* **due: August 4th**
- ☐ Water Bottle - bring daily
- ☐ Backpack & Lunch Box
- ☐ Headphones

Students who do not bring their own headphones by the end of the first week, will be charged \$10 for a pair that the school will order for them.

*The \$75 fee will ensure that your child has everything they need for this school year. We have different types of seating arrangements in the classroom, so students share a lot of the school supplies with those at their table or close to them. Most seating options are not at desks and students in 5th & 6th grades do not have a locker. They will have 2 shelves to keep their things. One is for their backpack and lunch box and one is for their books and a few supplies. Because space is limited and to keep our room clutter free, it is strongly suggested that students not bring supplies from home. A favorite pencil would be ok but nothing more than that.

** As part of our Bible studies, students will be taught how to mark and code Bible verses that we read and learn together. For this reason, a Bible will be provided for each new student coming into the classroom (for the year 2026-2027, 6th graders will also receive a Bible in the ESV version). This Bible will be their own Bible but will remain at school until the student graduates from 8th grade or finishes their time at BAS.

WISHLIST ITEMS:

- white printer paper, 28 lb or 65 lb
- post it notes
