Ms. Lauren's Class Supply List

1st and 2nd Grade

☆ 2026-2027 ☆

Backpack

Lunch Box

Reusable water bottle. Water bottles with straws work best as they don't leak when tipped.

Shoes (no laces, UNLESS they know how to tie them on their own)

One pair of plug-in headphones.

Bluetooth requires charging and pairing which can be tricky and time consuming in our class.

One pair of silencing headphones.

Optional! Many students enjoy having them when they want to "lock in."

\$50 for consumable supplies for the entire year.

I prefer this so I can purchase it as needed.

(crayons, crayola markers, dry erase markers, kleenex, Clorox wipes, glue sticks, paint, band-aids, scissors, pencils, paper, hand sanitizer, ziplock bags, folders, rulers, bug spray, tape and clipboard)

Thank you for helping us have a **COLORFUL** and amazing year!
