Financial Policy

The actual cost of each student's education per school year is approximately \$9,172. Each student pays far less as this cost is shared by the constituent churches, each student's family, and the Michigan Conference of SDA's.

Registration, Technology, Textbook, Supply, and Tuition Fees

Constituent Members: As of the 2026-2027 school year, the **non-refundable registration fee** for all students is **\$625.00**. Students whose parent(s), grandparent(s), guardian, or who are themselves members of a constituent church will pay the registration fee and a **monthly, technology, textbook, & supply**, fee of **\$100.00**, as their church will cover the remainder of their tuition.

Non-Constituent Members: Student families who are not members of a **constituent church** will pay per student the **\$625.00** registration fee, the **monthly, technology, textbook, & supply**, fee of **\$100.00**, as well as a **monthly tuition** fee of **\$400.00**. The first payment is due by August 16, 2026, and then by the **10th of each month**, Sept. – May. (If there are multiple students from a non-constituent family, a "family rate" may apply if no other assistance is being received.)

The **\$625 Registration Fee** may be divided into **3 payments as follows:**

- **Payment of \$300.00 due by August 16, 2026,**
- **Payment of \$200.00 due by September 10, 2026, and**
- **Payment of \$125.00 due by October 10, 2026.**

The **1st Technology/Supply Fee** payment is due by **August 16, 2026**, and then by the **10th of each month**, Sept. – May. Total tech/supply fee for the year is 1,000.00.

Any student who has an outstanding bill will not be allowed to register for the upcoming school year.

A late enrollment fee of \$75 will be charged for students registering after the close of registration, August 16, 2026. Registered students who do not submit the first payment of all applicable charges or who didn't make pre-arrangements with the Treasurer by August 16, 2026, **will also be charged the late enrollment fee of \$75 on September 10, 2026.**

Second Semester enrollment. Students who enroll for second semester only, will be charged the full \$625 registration fee. It is not prorated. They will also pay the monthly Technology, Textbook, and Supply fees **starting with the month they enroll**. They may pay the registration fee in two installments of \$325 at the time they start and 28 days later the remaining \$300.

Statements and Payments

Monthly fee & tuition payments are due by the 10th of the month. Statements will be sent out periodically and upon request for those with a balance due. The school board will review the accounts and take any necessary actions to collect the remainder of the outstanding balance.

It is recommended that plans be made now for the timely payment of fees and/or tuition due in August and throughout the school year. Your faithful support of Christian education makes it possible for school bills to be paid on time, ensuring faithful dealings with our creditors, and continued operation of our school facility.

Please make all checks payable to **Northview Adventist School**, or **Northview SDA School**, and send them to the treasurer either by dropping them in the lockbox located inside the school foyer, or by mail:

Payments may also be made at the Northview Website. <https://www.northviewsdaschool.org/parent-resources>. **You can pay via electronic check, debit, or credit card.** Student accounts will be credited the amount received by our service organization, Adventist School Pay, and will reflect a reduction based on the transaction fees. These fees range from 20 cents per electronic check to \$2 for a credit card transaction. Payments will be posted on the students' account after they are received by Northview from Adventist School Pay which may take up to a month. Please ask our Northview Treasurer if you have additional questions.

Financial Assistance

If a family needs financial assistance, Student Assistance Fund Endowment (S.A.F.E.) forms may be picked up at the school office to be completed by the family and submitted to the School Board for review.

Also, the Michigan Conference of Seventh-day Adventists has a Christian Education Endowed Scholarship Fund, requiring an application. Information, application forms, and an online link will be sent out to current Northview families at the end of January. Applications are due at the end of February. (Specific dates are determined by the MI Conf. each year.) This fund was established to assist students with financial needs at all levels of Adventist education. Some local churches in some circumstances have helped students pay their fees. Please check with your pastor or church board.

Distance Learning Students

For those students enrolled in Grades 9-12 Distance Learning, the Northview **\$625 Registration fee will be REDUCED by the amount of registration fee due to the online school.** The **Technology Supply fee will be \$100/month.** The **Supervision Fee will be \$60/month** for the 2026-2027 school year. All online school fees will need to be covered by the student's family.
