About our Pastor

Julio Davila was born in Nicaragua and moved to Saskatoon, SK when he was nine years old. He is a family man and enjoys spending time with his wife, who hails from South Africa, and his 4 children. The most important aspect of ministry to him is that we all become agents of change, whether big or small, for the glory of God. He loves adding value to people by pointing them to the feet of Jesus.

Prayer Requests

Prayer for each other continues to be a vital need. Let’s make this ministry a priority in our daily journey, remembering those who have lost loved ones, who may be going through difficult health or relationship challenges or may be seeking employment. Our little Parreno twins are facing challenges: Esther had planned heart surgery last week; Nathaniel is back on oxygen. Both are improving. Please keep these precious church family members in your prayers.
