For my pain to be resolved, For
my mind to become clear. If
Nature never let the rain fall
How would the clouds

Danny James Jones

November 29, 1970 – January 27, 2026
of Oxnard, California

With heavy hearts and deep love, we share the passing of Danny James Jones, a father, son, brother, and friend whose warmth, humor, and steady kindness left a lasting mark on everyone fortunate to know him.

Danny was born on November 29, 1970, and raised in Oxnard. He attended Linda Vista Elementary School before continuing his education at Newbury Park Adventist Academy. After graduating, he pursued higher education at Pacific Union College, where he earned his degree and discovered his passion for helping others through healthcare.

Danny continued his studies at Loma Linda University, graduating from the Radiation Therapy program. He dedicated many years serving patients at Loma Linda Hospital, where his compassion and professionalism comforted countless families during difficult times.

Later, Danny relocated to Oregon, where he continued his meaningful work at Providence Hospital.

Outside of work, Danny loved baseball. It was an understatement to say the Dodgers were his favorite team. Whether watching a game or sharing laughs with family, Danny brought energy and heart into every moment.

Danny is survived by his daughter, Payton Jones; parents, Gary and Kathleen Jones; brother DeeWayne Jones (Beth) and their children Evan and Seamus; sister Jennifer Frazier (Brandon) and their children Taj and Kirra; as well as numerous aunts, uncles, cousins, and cherished family friends, including Ritchie and Lola.

Danny will be greatly missed and forever remembered.
