THOUGHT FOR TODAY

.

Now there are diversities of gifts, but the same Spirit. And there are differences of administrations. But the same Lord. And there are diversities of operations, but it is the same God which worketh all in all.

In all the Lord's arrangements there is nothing more beautiful than His plan of giving to men and women a diversity of gifts. The church is His garden, adorned with a variety of trees, plants and flowers. He does not expect the hyssop to assume the proportions of the cedar, nor the olive to reach the height of the stately palm. Many have received but a limited religious and intellectual training, but Go has a work for this class to do if they will labor in humility, trusting in Him. Letter 122, 1902 (Evangelism, 98,99).
