Camp rules and Cautions

Please drive 10 MPH on campus roads especially at the entrance of the CEC property for dust control and neighborly goodwill. Our children need to attend their meetings or be with their parents. Parents, please be with your children whenever they are **around the ponds for safety sake.**

We have bikes for the children and youth to use: please use helmets when riding the bikes and return the bikes to their proper place.

Please keep pets on a leash and clean up after them. Thank you.

Please wear modest clothing at all times that we may glorify God.

Please pray for our speakers, for the Holy Spirit's presence, safety during campmeeting, spiritual blessings, and new friendships, and try to meet someone new every day.
