**Adventist World Radio:** On a remote island in Papua New Guinea - with no electricity and little contact with the outside world - a small solar-powered audio device became the center of daily life for one family. But then their neighbors became jealous and stole the device from their hut in the middle of the night. God used that theft to bring the message of a loving God to warriors who once lived by violence, revenge and crime. AWR is focused on reaching people everywhere; nurturing new believers as disciples; and strengthening the support that makes this mission possible. **March 14**, AWR offering.

**Oregon Prayer Conference in March:** Speaker for the Prayer Conference is Pavel Goia, March 20-22 at Twin Rock Convention Center, Rockaway Beach, Oregon. See poster on bulletin board for more information. Ride sharing is a possibility.

**The Media Department** is moving forward with continued improvements. Licenses are required for programs and platforms which are a recurrent expense. New listening devices for the hearing impaired were recently purchased. General fixes to equipment are frequent. Moving forward, monies are needed for the expensive installation of the new and improved projector i.e. new wiring, rental of a lift, and more. Thank you ever so much for those willing to give.

**Signs of the Times** magazines for March and April are on the entry table. Please take one for yourself and one or more to share.

**The Support Shack** at the Elementary School serves school families in need. A list of items needed is on the hall bulletin board. Donations have fallen short because of price increases over the last year so when you shop, if you pick up one extra item to donate, it will be really appreciated. A donation basket is under the mailboxes.
