Active Shooter Training Hosted at Central Hills SDA Church

Central Hills Seventh-day Adventist Church hosted an active shooter training October 18, 2026 led by FBI Agent **Jim Wisniewski**. The event was opened to the public and extended to our district sister churches, Grafton and Fairmont. Some members from the Grafton church attended, joining Central Hills board members, elders, deacons, and deaconesses who were strongly encouraged to participate.

Agent Wisniewski provided practical instruction on awareness, preparedness, and response, including the nationally recognized **Run, Hide, Fight** model. Participants learned how to quickly assess danger, create distance when possible, secure themselves if escape is not an option, and—only as a last resort—defend themselves if confronted directly.

While we continue to pray for God's protection, we also recognize the importance of being proactive. As Scripture reminds us in **1 Peter 5:8**, *"Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour."*

Give thanks to the Lord, for He is good, His love endures forever – Psalm 107:1

Thanksgiving invites us to pause—not just to list what is going well, but to practice a deeper kind of gratitude that sees God clearly. Scripture never asks us to pretend life is always easy; many biblical commands to give thanks were written to believers walking through uncertainty, loss, and waiting.

In God's kingdom, thankfulness is not denial, it is worship—a quiet declaration that God is present, faithful, and the Giver of every good thing. Because our gratitude is anchored in God's unchanging character rather than shifting circumstances, we can give thanks in every season.

As our church family gathers around tables this [Thanksgiving}, take a quiet moment to name one specific way God has been near to you this year and let that memory turn into praise.
