SPOTLIGHTS

HAPPY THANKSGIVING FROM STANDIFER GAP SDA SCHOOL! 🍂🧡

COUNSELOR'S CORNER

As we approach Thanksgiving break, it's a great time to reflect on how much our students have grown since the beginning of the school year. Growth doesn't always show up in grades or big accomplishments. Sometimes, it's a student asking for help instead of giving up, showing kindness when it's difficult, or learning to manage a frustrating moment.

A little encouragement for families: This week, try asking your child, "What's something you can do now that was hard for you before?" Take a moment to celebrate their answer, no matter how small it may seem.
When we help children recognize their progress, we build confidence, resilience, and a willingness to keep trying. Progress isn't always about doing more. Sometimes, it's about recognizing how far we've already come.

Hope you all have a wonderful and restful break!

Warmly,
Mrs. Sam
