

Prayer Requests and Praises

“In everything give thanks: for this is the will of God in Christ Jesus concerning you.” 1 Thessalonians 5:18

Let us continue to lift up the following persons in need of prayer.:

For all the people being affected by the wildfires, those who have been displaced and cannot return, those who are evacuated and awaiting word on when and if they can, those who are in midst of the fires working so hard to put them out, and those who are finding it so difficult to breathe due to health conditions exacerbated by the smoke in the air.

For Todd, who had a stroke and is in Vancouver Hospital.

For Ed, Shirley's brother, who had knee surgery yesterday.

For the family and friends of a young man named Brandon, dealing with the recent unintentional fatal train accident last week when Brandon died so unexpectedly and tragically.

For Lilliana & Terri Deines who need healing and strength.

For Ed, who is suffering from many health issues and is awaiting heart surgery.

Please continue to pray for our church family, that the Most High would pour out His Spirit to humble us, fill us, draw us together in ministry and unite us in purpose.

Please send your prayer requests and praises to Shirley. If you are not receiving the emails re: prayer requests, and would like to, please email Shirley Parpatt shirleyparpatt@gmail.com
