Health Nugget (from Health Ministries):

“God calls for reform in our churches. Satan is playing the game of life for every soul. He is seeking to brutify humanity whom God values. But when the appetite is held under the control of an intelligent, God-fearing mind, there will be a cultivation of pure, spiritual attributes. There will be a refusal to be led into a slavery that kills both physical, mental, and moral worth and leaves the human agent, for whom Christ has paid so high a price, crippled, worthless, and tossed about with temptation.”

—Story of our Health Message, p. 289
