Health Nugget (from Health Ministries):
“The Saviour in His miracles revealed the power that is continually at work in man’s behalf to sustain and to heal him. Through the agencies of nature, God is working, day by day, hour by hour, moment by moment, to keep us alive, to build up and restore us. When any part of the body sustains injury, a healing process is at once begun; nature’s agencies are set at work to restore soundness. But the power working through these agencies is the power of God. All life-giving power is from Him. When one recovers from disease, it is God who restores him. The words spoken to Israel are true today of those who recover health of body or health of soul. “I am the Lord that healeth thee.”
The desire of God for every human being is expressed in the words, “Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.”
–Ministry of Healing, pp. 112-113
