### Health Nugget (from Health Ministries):

“The Scripture says that ‘men ought always to pray, and not to faint’ (Luke 18:1); and if ever there is a time when they feel their need of prayer, it is when strength fails and life itself seems slipping from their grasp. Often those who are in health forget the wonderful mercies continued to them day by day, year after year, and they render no tribute of praise to God for His benefits. But when sickness comes, God is remembered. When human strength fails, men feel their need of divine help. And never does our merciful God turn from the soul that in sincerity seeks Him for help. He is our refuge in sickness as in health.” –Ministry of Healing, p. 226

Please keep the mission trip to Belize in your prayers as members of the youth class and their parents seek to be a blessing. If you'd like to contribute directly to the construction project, use this QR code. Designate Special Mission Project and in the memo field put Mustard Seed Project OR Santa Martha children's SS room.

**Interpretación al Español:** Tenemos radios y audífonos para escuchar la interpretación. Los puede pedir prestados en la caseta de sonido después de la escuela sabática.
