Health Nugget (from Health Ministries):

“It would be well for us to do less cooking and to eat more fruit in its natural state. Let us teach the people to eat freely of the fresh grapes, apples, peaches, pears, berries, and all other kinds of fruit that can be obtained. Let these be prepared for winter use by canning, using glass, as far as possible, instead of tin.”

—Counsels on Diet and Foods, p. 309

Youth Mission Trip: Keep the mission trip to Belize in your prayers as members of the youth class and their parents seek to be a blessing. To contribute directly to the project, use this QR code. Designate Special Mission Project and in the memo field put Mustard Seed Project OR Santa Martha children's SS room.

Interpretación al Español: Tenemos radios y audífonos para escuchar la interpretación. Los puede pedir prestados en la caseta de sonido después de la escuela sabática.
