Health Nugget (from Health Ministries):

“When men take any course which needlessly expends their vitality or beclouds their intellect, they sin against God; they do not glorify Him in their body and spirit, which are His. Yet despite the insult which man has offered Him, God’s love is still extended to the race, and He permits light to shine, enabling man to see that in order to live a perfect life he must obey the natural laws which govern his being. How important, then, that man should walk in this light, exercising all his powers, both of body and mind, to the glory of God!”

–Counsels on Health, p. 20

Interpretación al Español: Tenemos radios y audífonos para escuchar la interpretación. Los puede pedir prestados en la caseta de sonido después de la escuela sabática.
