Health Nugget (from Health Ministries):

“In health and in sickness pure water is one of Heaven’s choicest blessings. Its proper use promotes health. It is the beverage which God provided to quench the thirst of animals and man. Drunk freely, it helps to supply the necessities of the system and assists nature to resist disease. The external application of water is one of the easiest and most satisfactory ways of regulating the circulation of the blood.”

—Ministry of Healing, p. 237

Interpretación al Español: Tenemos radios y audífonos para escuchar la interpretación. Los puede pedir prestados en la caseta de sonido después de la escuela sabática.
