### Health Nugget (from Health Ministries):

“The improvement of the mind is a duty which we owe to ourselves, to society, and to God. But we should never devise means for the cultivation of the intellect at the expense of the moral and the spiritual. And it is only by the harmonious development of both the mental and the moral faculties that the highest perfection of either can be attained.” –Mind, Character, and Personality, Volume 2, p. 374

**Prayer Meeting** is canceled this week, and will resume on Wednesday, June 24.

**Barbara O’Neill Classes** require a ticket for in-person attendance. All seminars may be viewed live online at [www.countrylifesda.org/live](http://www.countrylifesda.org/live)
