Health Nugget (from Health Ministries):

“Since the work of building up the body takes place during the hours of rest, it is essential, especially in youth, that sleep should be regular and abundant.” —Education, p. 205

Home School Chapel: Join us at the church on Monday, August 31, at 5:00 pm for the first Home School Chapel of the year, hosted by Pastor Eric Walsh. Dinner will be served.

Seeing Jesus is a monthly journey designed to help our young people truly see, know, and love Jesus Christ. Beginning with the pre-incarnate Christ—His role in the great controversy of Revelation 12, His ministry throughout the Old Testament, and His identity as Michael the Archangel—we will follow the prophecies that pointed to His first advent and then travel from Bethlehem through His earthly life and ministry. Along the way, we will explore His parables, miracles, teachings, and personal encounters, discovering how Jesus treated people, revealed the character of the Father, confronted sin, restored the broken, and brought hope to those in need. More than simply learning stories about Jesus, this series will invite every young person to encounter Him personally, understand His heart, and recognize Him as Creator, Savior, Friend, and coming King.

Baby Shower: Little Milo will be here before we know it! Please join us in celebrating Laura Sarella (Rosado) and her new baby boy on Sunday, September 20 at 11:00 am at the church. Come share in the joy as we help Laura get ready to welcome Milo!

Cooking: What do you want to learn to cook? Health Ministries is sponsoring plant-based cooking schools throughout the year! We want to design these classes around your favorite flavors, from quick weeknight meals to healthy desserts. Please take 60 seconds to vote for your top cuisines so we can tailor the menu for you.
