Thank you for your generous support of the Hygiene Pack and Backpack Drive, coordinated by the Crossville Community Services Department!

Because of your generosity, we have been able to assemble 83 hygiene packs. During the month of August, we made our first donation of hygiene packs, along with backpacks for school-age children.

We still have an additional 43 hygiene packs to assemble in order to meet our goal of donating 10 hygiene packs each month to homeless families and children throughout the year. **We have run low on several items and are especially in need of travel-size toothpaste, deodorant, body wash, and shampoo** to complete these 43 packs.

Please consider supporting this ongoing drive by scanning the QR code below and purchasing an item from Amazon. An Amazon account has been set up under the name Crossville Community Hygiene Pack Drive. You can search for the account by name on Amazon or use the QR code below to access it directly and purchase an item.

If you have any questions, please get in touch with Davia, Elaine, or CJ.

Thank you for helping our church make a difference in the lives of families and children in our community!
