DeRoses Nurture Our Church Family

If you have not yet met Pastor David and Sonja DeRose, M.D. you are in for a blessing. They are warm, gracious, and caring people who genuinely love God and His children. We welcomed them at our June 20 Sabbath service, followed by a HayStack Dinner.

On June 15, they officially joined the Dayton, Georgia-Cumberland Seventh-day Adventist team. Their first day included conference orientation, a return trip to Dayton, and attendance at the Church Board meeting that evening.

Since then, they have been busy connecting with our church family through personal visits, meeting with nearly thirty individuals and families in just two weeks. They have also led two Mid-Week Services, preached two Sabbath sermons, and participated in a Church Board meeting.

From the very beginning, Pastor David and Sonja have demonstrated a commitment to the principle that ministry comes first, even while settling in and

navigating ongoing renovations and a six hour closing on their new home.

We are thankful God has brought them to Dayton and look forward to serving alongside them.

God's blessings to you, Pastor David and Sonja.

Prayer Meeting x 2

Our weekly Mid-Week Prayer Meetings continue each Wednesday from 6:00–7:00 PM in the DCC Gathering Place. Pastor DeRose generally leads this service twice monthly. (Given he is half time pastor at DCC.)

Beginning July 7, Pastor DeRose will also lead a ZOOM Prayer Meeting every other Tuesday at 8:00 PM. The focus of this summer series is “Great Prayer Passages.” This gathering is open to the broader community and has historically included participants from across the country.

The format will be similar to our DCC Prayer Meetings, combining Bible promises and practical instruction with opportunities to share prayer requests. Attendees are invited to pray for one another in a supportive and encouraging atmosphere.

Please note: No one will be asked to pray or read unless they have indicated a willingness to participate. No one will be put on the spot or made to feel uncomfortable.

Timeless Healing Insights is in transition from Fort Wayne First Church to Dayton Community Chapel.

Financial support for this ministry is now being directed through the DCC Church account, with donations coming from supporters across the nation.

We encourage you to explore the many resources THI offers and to share a THI business card with family members, friends, neighbors, and coworkers. One resource we especially recommend is the **FREE "30 Days to Better Health"** program.

With high blood pressure and diabetes affecting millions of Americans, this practical online program provides daily encouragement and guidance for better health. Participants receive a brief email each day (for 30 days) containing a short video presentation by Dr. David DeRose. The videos can be viewed at your convenience and offer simple, evidence-based steps that can lead to meaningful improvements in health and well-being.

Dr. DeRose challenges participants to be bold in applying what they learn. As we consistently put healthy principles into practice, positive changes can begin in a surprisingly short time.

Sound System Improvements: Many hours of dedicated effort are being invested to build a strong audio foundation for our worship services and, as the Lord provides, a future upgraded video ministry. We

extend our sincere appreciation to Luke Schilt and John Depace (from Calvary Chapel Dayton) for their ongoing work and commitment to this project.

As the system is completed and fine-tuned, you will notice significant improvements in sound quality throughout the sanctuary. Equally important, our musicians will be better able to hear one another as they lead us in worship and use their gifts to honor God.

Christ IS LOVE

He came from the Father full of grace and truth, revealing the very character of

God to the universe. Fully God and fully man, Jesus became the perfect bridge between heaven and earth.

Through His divine sacrifice, every accusation against God and against humanity was answered. At the cross, God's justice and God's love met in perfect harmony. Divine justice is completely fair and impartial toward every created being, yet God Himself bore the greatest cost.

The Holy Spirit we know is of the same kind

("allos" in Greek meaning: "another of the same kind," or nature) as JESUS, that is Holy, Divine.

If you missed the recent three-part seminar

presented by Dr. Stephen Bauer, Professor of Theology at Southern Adventist University, you can still view all three messages under the SERMON tab. Drawing from the original biblical languages, Dr. Bauer presents clear and thoughtful insights into the identity and work of the Holy Spirit.
