COMBINED BLOCK PARTY

Calvary Chapel Dayton and the Hispanic congregations are joining us for this special event.

MOTHER'S ROOM – FOYER – FELLOWSHIP HALL

What do they all have in common? As soon as we are able to purchase our **video mixer/splitter**, we will be able to greatly improve our video ministry.

The new system will allow us to provide a **live feed from our one camera** to the foyer, Fellowship Hall, and Beginners Children Room for moms, while also mixing in the **digital graphics, Scripture texts, announcements, and other content** currently displayed on the sanctuary TV screens.

Even better, the system will include an **SSD recording station**, allowing us to record complete services—including both the live camera feed and the digital graphics—for future viewing and sharing.

THE COST TO MAKE THIS HAPPEN: APPROXIMATELY \$2,500

That \$2,500 will provide the **video mixer and SSD recording system** needed to take this next step.

NOTE: One donation of **\$2,500** would make it possible for us to move forward immediately—or several gifts together can help us reach the goal.

If the Lord leads you to do this. **Mark your donation “Video Ministry”**

REVELATION TODAY: THE FUTURE UNFOLDING

It Is Written TV and speaker **John Bradshaw** are partnering with our conference to present a **first-class, Christ-centered series sharing the full Bible message.**

Although the timing of the series does not perfectly match our current situation, we don't want to miss this opportunity. We are making plans to present the complete series on a **large screen in our Fellowship Hall**, beginning **Friday evening, October 16.**

VERY LIMITED SEATING

Attendance will be limited to **approximately 12 people** so that we can maintain a small, personal setting with special emphasis on those **preparing for baptism or seriously exploring the Bible's message.**

Friday, Saturday, and Sunday evenings, a **light meal will be served at 5:15 p.m.**, followed by a **double-header video presentation beginning at 6:00 p.m.**

There will also be time following each presentation to **ask questions and discuss what we have studied.**

INTERESTED IN ATTENDING?

Visit our church website and click on **REVELATION TODAY** to learn more and **pre-register online.**

Because seating is extremely limited, pre-registration does not guarantee admission.

Those selected to attend will be notified a few days before the program begins.

Please pray that God will use **REVELATION TODAY: The Future Unfolding** to help prepare hearts for His kingdom.

THRIVE STATUS REPORT:

Good news! We're getting closer! THRIVE offers many helpful tools, but the one we're most excited about right now is the **messaging system**—and remember, the **North American Division (NAD)** is

providing THRIVE for us! Thrive will allow us to all share one text messaging thread, and not have to have three separate ones. We can all communicate or not depending on our individual choice.

The messaging system is **fully operational across North America and ready to go.**

The only thing standing between us and getting started is the completion and processing of the required paperwork, which the NAD is taking care of.

Once the legal paperwork is finished, we should be ready to launch! Join now so you are ready when Thrive is ready!
