Announcements

Potluck today is organized by Team #3 due to an earlier trade, Alex & Nancy Betancourt, Nathaniel and Edith Betancourt, Katie Morgan, and Kathy Martin. The theme is Italian!

Please plan to bring extra food. Our last potluck did not feed everyone who stayed to eat.

It's graduation time!

Eighth Grade-Caleb Kwon & Grace Wilson
High School- Gio Ramirez

Advanced University Degree-Nathan Morgan

We Congratulate these students for their achievements!

The Nominating committee has most of the church offices filled and waiting for final approval but there is a desperate need in the Primary Sabbath School Class. This is for kids ages 7-9. Parents, grandparents, members, please prayerfully consider how you can help. There are many program helps and craft materials provided.

Upper Columbia Conference regional camp meeting for Wenatchee Valley will be June 12-14 at the Wenatchee SDA Church. Pastor Lee Venden will be the main speaker. All area churches will be closed so members can worship together at the Wenatchee Church. Our church is to provide beans, rice, and chips for the noon meal for all the area church members that will stay for the meal. Please sign up to help provide food on the signup sheet that will be circulated during church today. If questions, contact Joe Stevens.

Give to replace the HVAC system

The Building Improvement Fund (formerly Capital Improvement Fund) is now listed on the Adventist Giving site for those who donate funds online. Access "Giving" on our East Wenatchee Adventist Church website.

To give funds in a tithe envelope, please write Building Improvement or Building Fund.

The Building Improvement Fund donations have paid off 75% of the HVAC project costs including paying down the NPUCA loan. We only have \$38,000 left to raise to pay off the entire project! Let's finish soon!

Thank you to the Retired Men's Group for working on the South lawn project. In a few weeks, new grass will be sprouting and filling in the dead areas and sufficient irrigation water is now sprinkling that whole area. We hope the little trees survive too!
